

Appendix question number 45

Candidate name _____

Candidate number _____

Curaçao's native animals

start

1b Does the animal have an internal skeleton?

Yes → **birds**

No → **external skeleton**

external skeleton

3a Does the animal have an external skeleton?

Yes → **spiders**

No → **scorpions**

scorpions

10a Does it have light/ yellow skin?

Yes → **Skórpion hel (yellow scorpion)**

No → **Skórpion pretu (black scorpion)**

spiders

9a Does it have light/ yellow skin?

Yes → **Araña (spider)**

No → **centipedes/millipedes**

centipedes/millipedes

5a Does the animal have 2 pairs of legs per segment?

Yes → **Lisinbein (millipede)**

No → **Lisinbein (giant centipede)**

birds

12a Is the skin covered with hair?

Yes → **mammals**

No → **insects**

mammals

7a Does the animal have 6 legs?

Yes → **Bichi di nos kabes (silver snake)**

No → **insects**

insects

7b Does the animal have a clear tail and scissors?

Yes → **Kolebra di mospel (spectacled teju)**

No → **insects**

insects

12b Does the animal have a yellow stripe across its back?

Yes → **Kolebra di Kòrsou (whipsnake)**

No → **insects**

insects

14a Does the animal have leathery skin?

Yes → **Sapu (frog)**

No → **insects**

insects

16a Does the animal have legs?

Yes → **Bichi di nos kabes (silver snake)**

No → **insects**

insects

17a Is the animal small and evenly dark colored?

Yes → **Sapu (frog)**

No → **insects**

insects

18a Does it have white to bright blue dots on the sides?

Yes → **Totèki (tree lizard/ anole)**

No → **insects**

insects

19a Does it have dark stripes across the sides?

Yes → **Kolebra di mospel (spectacled teju)**

No → **insects**

insects

20a Does it have a comb (spines) on the back?

Yes → **Yuana (green iguana)**

No → **insects**

insects

21a Does it have light or almost transparent skin?

Yes → **Pega pega (house gecko)**

No → **insects**

insects

22a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

23a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

24a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

25a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

26a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

27a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

28a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

29a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

30a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

31a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

32a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

33a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

34a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

35a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

36a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

37a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

38a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

39a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

40a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

41a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

42a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

43a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

44a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

45a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

46a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

47a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

48a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

49a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

50a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

51a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

52a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

53a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

54a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**

insects

55a Does it have light or almost transparent skin?

Yes → **Pega pega grandi (smooth gecko)**

No → **insects**
